Third Circular

Miscellaneous Practical Information

- **Travel to Wilhelmshaven**

The conference takes place in the hotel "Atlantic", Jadeallee 50 in Wilhelmshaven, a coastal town located at the North Sea in the state of Lower Saxony, Germany. It is situated on the western side of the Jade Bight, a bay of the North Sea.

The conference hotel is only a 10-minute walk away from the main train station and a few steps from the sea.

For international participants arriving by plane the nearest international airport is "Bremen Airport Hans Koschnick" (IATA-Code: BRE, app. 100 km by car). For example, Bremen airport offers direct connections to Paris, Amsterdam and Zurich, and within Germany to Frankfurt, Munich and Stuttgart.

"Hamburg-Fuhlsbüttel" is very well connected to many airports worldwide but further away, app. 240 km by car (IATA-Code: HAM).

The easiest way to reach Wilhelmshaven from either airport is by (rental) car.

There are train connections to Wilhelmshaven from Bremen and Hamburg airport approximately every hour. However, some restrictions apply on Saturday and Sunday. There are no direct trains, but you have to make at least 2 changes.

Some suggested connections are given below. More details on train connections can be found on the website of Deutsche Bahn: <https://www.bahn.com/en/view/index.shtml>

From Bremen airport:

Take a local train (Strassenbahn STR6, direction: Universität) to Bremen Hauptbahnhof (central station). From there take a train (Regional-Express, RE) direction: Norddeich Mole and change in Oldenburg. Then, take a local train (NordWestBahn) to Varel from where you have to take a bus (SEV-Bus) direction: Wilhelmshaven Hbf. Estimated travel time is about 2 ½ hours.

From Hamburg airport:

Take the local train, for example S-Bahn S1, to Hamburg Hauptbahnhof (central station). From there you have to take a train to Bremen Hauptbahnhof (central station) and then follow the same route as given above. Estimated travel time is about 3 ½ hours.

- **Meals**

All lunches and dinners from Sunday evening (Aug. 25) until Friday lunch (Aug. 30) are included in the registration fee.

- **Information for presenters**

Oral presentations: speakers are requested to provide the slides of their presentations in ppt / pptx / pdf format. A presenter PC with the most recent versions of Powerpoint and Acrobat will be available. A presenter and laser-pointer are available.

Poster presentations: posters can have a maximum format of A0 portrait (84,1 cm x 118,9 cm) and will be mounted on poster boards with pins. The pins are provided by the organizers. After the poster session on Tuesday evening, the posters will be on display until the end of the conference.

JOHANNES GUTENBERG
UNIVERSITÄT MAINZ

The TAN 19 is sponsored by

Deutsche
Forschungsgemeinschaft

German Research Foundation

GESELLSCHAFT DEUTSCHER CHEMIKER

The TAN 19 is endorsed by

Special Note

It is the policy of the International Union of Pure and Applied Physics (IUPAP) that all participants in Union activities will enjoy an environment which encourages the free expression and exchange of scientific ideas, and is free from all forms of discrimination, harassment, and retaliation. The conference organisers will name an advisor who will consult with those who have suffered from harassment and who will suggest ways of redressing their problems, and an advisor who will counsel those accused of harassment. The conference organisers may, after due consideration, take such action they deem appropriate, including warning or expulsion from the conference without refund.
